## Headteacher's Message

Welcome back to the second half of the autumn term! I hope you and your families enjoyed a restful half-term break and that our children are ready for another exciting few weeks of learning.

As you can see from our Parent Diary, we have a busy and exciting half-term ahead, insha'Allah. From World Kindness Day and Anti-Bullying Week to our class performances, World Arabic Language Day and parent coffee morning, there will be plenty of opportunities for our children to learn, develop their character and share their achievements with you. We look forward to welcoming you to these events.

We will also be sharing our Parent Survey shortly. Your views really matter to us, so please take a few minutes to tell us what we are doing well and where we can improve. Your feedback will help shape our school improvement journey.

Finally, I recently made another visit to our new school building, alongside governors, ahead of our planned move in September 2027. We are very excited about the opportunities this new chapter will bring for our children and the wider school community. I would encourage families to take the opportunity over the coming months to explore the area around our new school, consider travel arrangements and become familiar with the neighbourhood as we prepare for this important move together.

There is much to look forward to, insha'Allah, as we continue working together to build a beautiful school where every child can achieve, belong and thrive.

*Please continue to keep our school, pupils and staff in your du'as.*

Hussain Shefaar

**In September 2027, Islamia is moving here!**
**Save the address, visit the area:**
**Brentfield Road, Neasden**
**NW10 8HE**

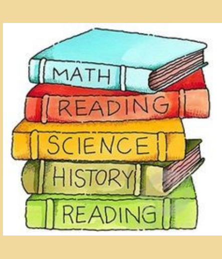

## PROMOTING HEALTHY HABITS

At Islamia, we want every child to have the energy, concentration and good health they need to learn, play and thrive. **What children eat regularly matters**, and developing healthy habits from an early age can make a lasting difference.

We have noticed that some children are bringing crisps and other less nutritious snacks to school every day or being given them at home-time as they leave school. Choosing a different snack more often can help children develop a more varied diet.

Growing bodies need nourishment. Fruit, vegetables, wholegrain foods and other nutritious snacks provide a range of vitamins, minerals and fibre that support children's growth and development.

Although **a packet of crisps may seem like a small snack**, making it a daily habit is worth reconsidering (see poster below which shows the amount of oil consumed in a year if someone eats 1 packet of crisps every day)

## Curriculum Corner

Engage in meaningful discussions and exchange ideas with experts.

Aysha Islam - Assistant Headteacher: Curriculum, Teaching & Learning

Learning in Action

Step into a world of endless possibilities and take control of your growth. Whether you're learning a new skill, exploring fresh ideas, or taking the next step in your career, knowledge is the key to unlocking new opportunities. With the right resources and guidance, you can push boundaries, achieve your goals, and shape your own future. Start your journey today and discover what's possible.

## Y6 Centre of the Cell

## PE - Brent Boys Cup

Yesterday, our Year 5 & 6 boys took part in the first round of the Brent Cup and delivered a fantastic performance. In an exciting and entertaining match, Islamia Primary School secured a brilliant 7-4 victory against Fryent Primary School.

A special congratulations goes to our talented Year 4 pupil, Ayub Baioumy, who scored an incredible five goals during the match. What an achievement! We are incredibly proud of the entire team for their hard work, teamwork, and determination. We now look forward to Round 2 of the Brent Cup, where we will face Kingsbury Green Primary School.

## Update: Islamia School Council Introducing Our School Councillors 2026-2027

Congratulations to our newly elected School Councillors and Deputy Councillors! Well done to everyone who stood for election and shared their ideas, and thank you to all pupils who voted. Our councillors will represent their classmates, listen to suggestions and work together to help make Islamia Primary School an even better place to Achieve, Belong and Thrive.

Deputy councillors will support them and step in when needed. These roles are an opportunity to put our Islamic values into practice through amanah (trust), kindness and service to others, ensuring every child's voice is heard. We look forward to seeing the positive difference our pupil representatives will make, inshaAllah!

## Jumu'ah Khutbah: Allah's Vast Mercy and Kindness

**Living a Life of Awe and Wonder**

Words of Wisdom

Today's khutbah reminded us of Allah's vast mercy and kindness through a beautiful Hadith Qudsi—a hadith in which the Prophet ﷺ narrates from Allah.

Ibn Abbas (رضي الله عنهما) reported that the Prophet ﷺ explained that Allah rewards a sincere intention to do good, even when we are unable to carry it out. When we complete a good deed, Allah multiplies its reward from ten to seven hundred times, and beyond. *Reported in Sahih al-Bukhari and Sahih Muslim.*

What a hopeful reminder for our children and ourselves: even a small act of goodness can carry an immense reward. A kind word, helping at home, including someone in a game or choosing patience are all opportunities to seek Allah's pleasure.

**A family reflection:** What good deed can we sincerely intend and put into practice this week? May Allah purify our intentions, fill our hearts with kindness and help us share His blessings through our actions. Ameen.

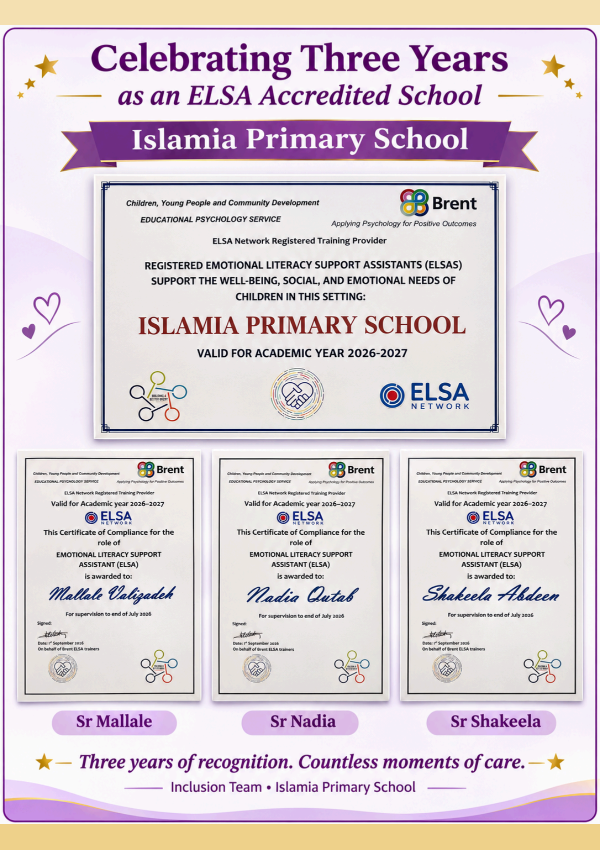

## Behaviour Relaunching Expectations

## SAVE THE DATES

## INCLUSION

## Safeguarding Matters

### Keeping Safe in the Local Community

At Islamia, we want every child and family to feel safe, supported and confident in our local community.

Following the recent Queen's Park Safer Neighbourhood Panel meeting, we are sharing some gentle reminders about staying safe when travelling to school, visiting local shops or spending time outdoors.

Our Islamic faith teaches us to care for one another. Allah tells us:

"Cooperate with one another in goodness and righteousness."

— Qur'an, 5:2

The Prophet Muhammad ﷺ also taught that a Muslim is someone from whose tongue and hands others are safe. — Sahih al-Bukhari.

These teachings remind us to use kind words, avoid causing harm and seek help when something is wrong.

Please discuss these simple messages as a family:

**Plan your journey.** Use familiar, well-used routes and agree who is collecting your child. Older children travelling independently should let parents know about any changes to their plans.

**Stay together.** Younger children should stay close to their accompanying adult. Older siblings attending the boys' and girls' high schools can model sensible choices and kindness.

**Move away from trouble**. If you see an argument or behaviour that feels unsafe, keep your distance. Older children should avoid stopping to watch, film or share incidents.

**Tell a trusted adult.** If someone frightens you, pressures you to do something wrong or asks you to keep a worrying secret, tell a parent, carer or school adult. You will not be in trouble for asking for help.

Keep conversations calm and appropriate to your child's age, giving them time to ask questions.

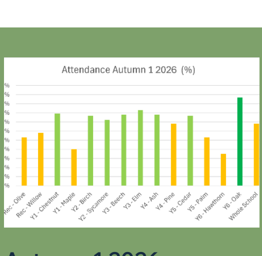

If something happens in the community that affects your child's safety or wellbeing, please speak privately with T. Yasmin, our Designated Safeguarding Lead, or a Deputy DSL.

May Allah protect our children and families and help us make our community a place of kindness, care and safety. Aameen.

## Attendance Matters Every School Day Counts

JazakumAllahu Khairan to all our parents and carers for your continued support. Let's work together to achieve our whole-school attendance target of 95% or above, ensuring every child has the opportunity to learn, achieve and thrive!

### Autumn 1 2026

Autumn 2 – Week 1: A fantastic start to the new half term for Year 3 Elm, who topped the attendance charts with an outstanding 99.5% attendance! MashaAllah, Allahumma baarik!

### Autumn 2 Week 1

Autumn 2 – Week 1: A fantastic start to the new half term for Year 3 Elm, who topped the attendance charts with an outstanding 99.5% attendance! MashaAllah, Allahumma baarik!.
