Headteacher's Message

Alhamdulullah, another busy week for all and sundry at Islamia this week...Earlier this week, the school community came together in a heartwarming show of support for our Year 6 pupils as they began their SATs. Pupils from all year groups lined the corridors, clapping and cheering as Year 6 walked through a guard of honour, surrounded by encouragement and smiles. It was a wonderful moment of unity, pride and support - one that truly reflects the spirit of our school.Now that the week has drawn to a close, we are proud to say that the children approached their SATs with confidence, determination and resilience. We are incredibly proud of each and every one of them. Although, there was much more happening across the school again this week...read on!

SAT's Week - Year 6

This week, our amazing Year 6 pupils completed their SATs with resilience, focus and a fantastic attitude. We are incredibly proud of each and every one of them! A huge thank you to our dedicated staff team for their tireless support in preparing the children, keeping them calm, and ensuring everything ran smoothly throughout the week. Special thanks also go to our wonderful parents and carers – your encouragement, positivity, and partnership make all the difference. To help our pupils start the day right, we held our traditional SATs Breakfast Club each morning. It was lovely to see the children arrive early, share a meal with their friends, and settle into the right mindset for the day ahead. The week ended on a high with a celebratory cheer and well-deserved treats – a perfect way to recognise their hard work and determination.

River Thames by Boat

The river Thames experience was gratefully received. The children explored river creatures, identified bridges and compared the historical use of the river. Experiencing the exclusive boat hire enabled the children to have lunch on the deck and enjoy London views as we navigated the high and low tides.

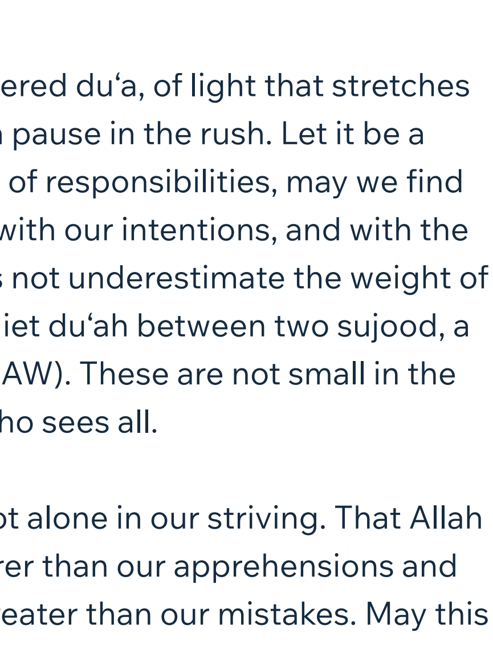
Jumuah Reminder

Alhamdulillah

Alhamdulillah for the gift of experiencing another Jumu'ah: a day unlike any other, where the gates of mercy are wide open, and the hearts that turn sincerely to Allah are never turned away. The Prophet Muhammad (SAW) said, "The best day on which the sun has risen is Friday..." (Muslim).



It is a day of divine generosity, of answered du'a, of light that stretches into the week ahead. Let today be a pause in the rush. Let it be a softening of the heart. Amid the noise of responsibilities, may we find moments to reconnect with our Lord, with our intentions, and with the people He has placed in our care. Let us not underestimate the weight of simple actions: a sincere istighfar, a quiet du'ah between two sujood, a heartfelt salawat upon the Prophet (SAW). These are not small in the sight of the One who sees all.

May today be a reminder that we are not alone in our striving. That Allah is near, closer than our thoughts, nearer than our apprehensions and worries. And that His mercy is always greater than our mistakes. May this Jumu'ah bring healing to tired hearts, clarity to busy minds, and tranquility to every soul that seeks Him, Subhanahu wa ta'aala.
