Jumuah/Friday Bulletin

Headteacher's Message

As we continue to welcome back the Hujjaj who have undertaken their pilgrimage we reflect upon the meaning, purpose and intention behind the Hajj - to fulfil our spiritual obligations and submit to our Creator. As a school, we strive to instil the love for our Creator in our student's daily lives through Salah, congregational prayer, and, the curriculum, and also our daily interactions. We call this approach the 'Golden Thread', a thread which is woven throughout our student's experiences at Islamia Primary School through continual remembrance of Allah (SWT) and our beloved Prophet Muhammad (SAW) and his Sunnah. We seek duas for this blessed journey to enable our children to become the best they can be in the light of the Quran and Sunnah - Ameen.

Curriculum Corner

World Refugee Day

On World Refugee Day, our school community comes together to recognise and support the resilience and courage of refugees around the world. In class, the children have been exploring stories that explore the theme of refugees through carefully chosen storytime books. These stories help foster empathy and understanding by sharing personal experiences of hope, bravery, and new beginnings.

During PSHE lessons, students learned about what it means to be a refugee - why people might need to leave their homes, the challenges they face, and how kindness and inclusion can make a difference. This important conversation encourages our young learners to embrace compassion and stand against discrimination.

To conclude the day, the children engaged with a poem about refugees, expressing solidarity and hope for a safer, welcoming world. We encourage you to continue these meaningful conversations at home, reinforcing the values of empathy, respect, and community that we celebrate today.

We will also be sending the poem by MySchool app so please support your child to learn this poem.

What I Left Behind

I had to leave my home one day,
The skies grew dark, we ran away.
No time to pack, no time to stay,
So many things I left that day.

My toys, my bed, my favourite chair,
My school books waiting quietly there.
The pictures, songs, and smells I knew,
All stayed behind, I couldn't choose.

The streets were loud, the night was long,
And nothing now feels safe or strong.
I held my sister's hand so tight,
We walked through shadows, lost the light.

Some call me brave, but I feel scared.
I miss my home, the life we shared.
The voices kind, the faces near,
Can't bring back all I loved so dear.

Kew Gardens

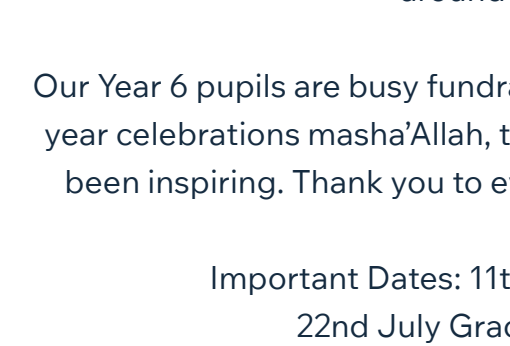

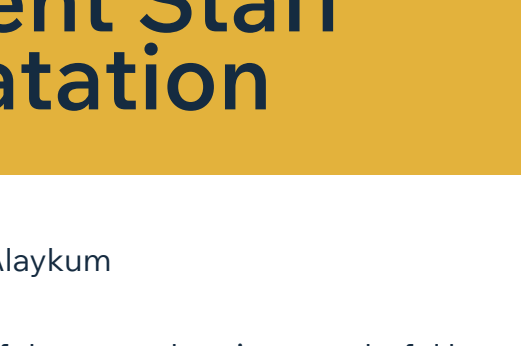

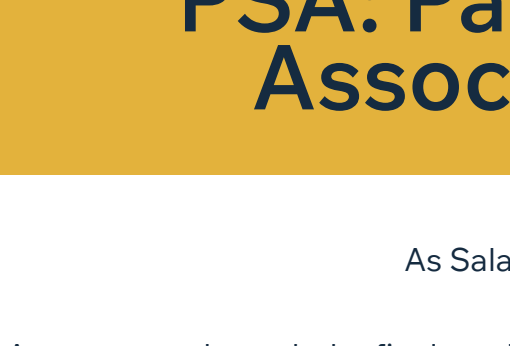

Y2 Visit Kew Gardens

As part of their Science topic on plants, Year 2 enjoyed a wonderful trip to Kew Gardens. The children had a fun-filled day learning about what plants need to grow and how seeds are dispersed. They explored a variety of trees and matched seeds to their parent plants, deepening their understanding of the natural world. The children also had the opportunity to draw plants and examine leaves and flowers under microscopes, which sparked lots of curiosity and excitement. They collected different parts of plants and took part in imaginative games, including moving like plants and bees, which helped bring their learning to life.

One of the highlights of the trip was visiting the glasshouses, where the banana tree was a particular favourite.

Following the visit, the children wrote thoughtful and creative recounts of their experiences at Kew Gardens.

Mashallah – we are so proud of their enthusiasm and learning!

Y4 - Science

In Science, Year 4 have been exploring the topic of sound. Pupils are learning how sound travels and how our ears work to help us hear. They are developing their scientific understanding through hands-on experiments and active discussion.

Every Learner Matters

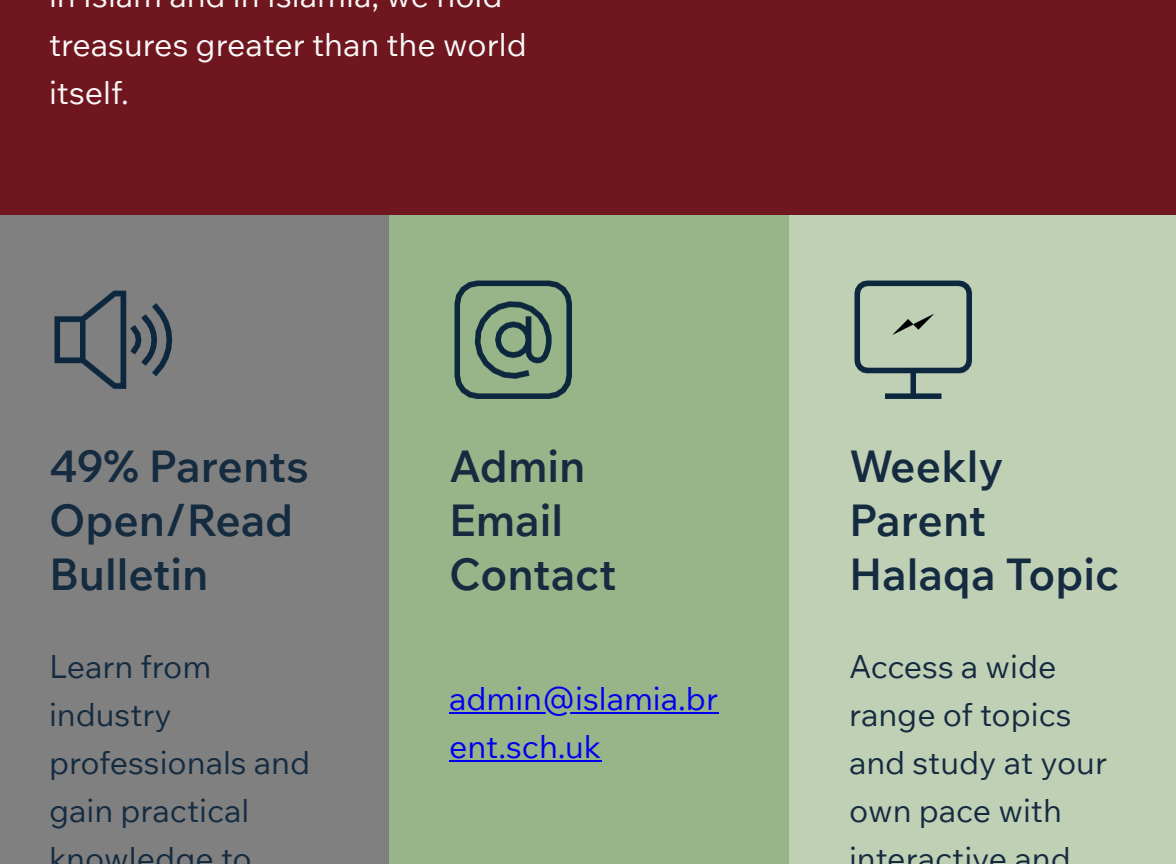

Every Learner Matters

Our dedicated support staff play a crucial role in ensuring that all pupils are well-supported, particularly during lunchtime. Whether in the canteen, the Nurture Room, or at the picnic tables, they help to ensure our pupils are safe, regulated, and able to enjoy their meals in a calm and supportive environment.

Attendance Matters!

Attendance Summer 2 Week 2 2025 (%)

Unfortunately, the whole school attendance was below the school target at 94%. Some classes have started the last half term very strongly. In Week 2, only 7/14 classes had an attendance which exceeded the school target of 95%. Congratulations to Chestnut, Birch, Sycamore, Beech, Elm, Ash and Palm.

Mashallah Ash class remained in pole position last week with 98.7%.

Will any class be able to match or join them on the podium?

PSA: Parent Staff Association

As Salam Alaykum

As we move through the final weeks of the term, there's a wonderful buzz around the school!

Our Year 6 pupils are busy fundraising for their graduation and end of year celebrations masha'Allah, their enthusiasm and teamwork have been inspiring. Thank you to everyone who has supported so far!

Important Dates: 11th July Year 6 Production
22nd July Graduation Ceremony

We're also gearing up for Sports Day, one of the highlights of the school year. It's always a joy to see students, staff, and families come together in the spirit of fun and friendly competition more details coming soon!
(Keep 18th July free)

We're excited to share that the Walking Club has officially started! We had 5 lovely parents show up and can't wait for more to join to build a beautiful community .

Jumuah Reminder

The Prophet Muhammad (SAW) said:

The Prophet Muhammad ﷺ said: "Whoever among you wakes up physically healthy, safe in their home, and has enough food for the day – it is as if the entire world has been gathered for them." (Tirmidhi – Hasan, authenticated by Al-Albani)Let us open our eyes and hearts to the blessings we so often overlook – the blessing of Islam, the blessing of raising our children in a school that nurtures their faith and character, and the blessing of peace, health, and provision.Say Alhamdulillah – for in Islam and in Islamia, we hold treasures greater than the world itself.
