## Headteacher's Message

As we head into the final few days of the academic year, this penultimate Newsletter is deliberately brief as there is so much that our children are busily engaged in these last few days. We will report on our sports day, wonderful Y6 performance and upcoming end of year events much more fully next week.

Thank you to all our lovely PSA parents who assisted with the sports day, performance and other recent events - the support is very welcome and appreciated!

## Curriculum Corner

### Pupils Shine at Guinness World Record Event Hosted by Jamie Oliver

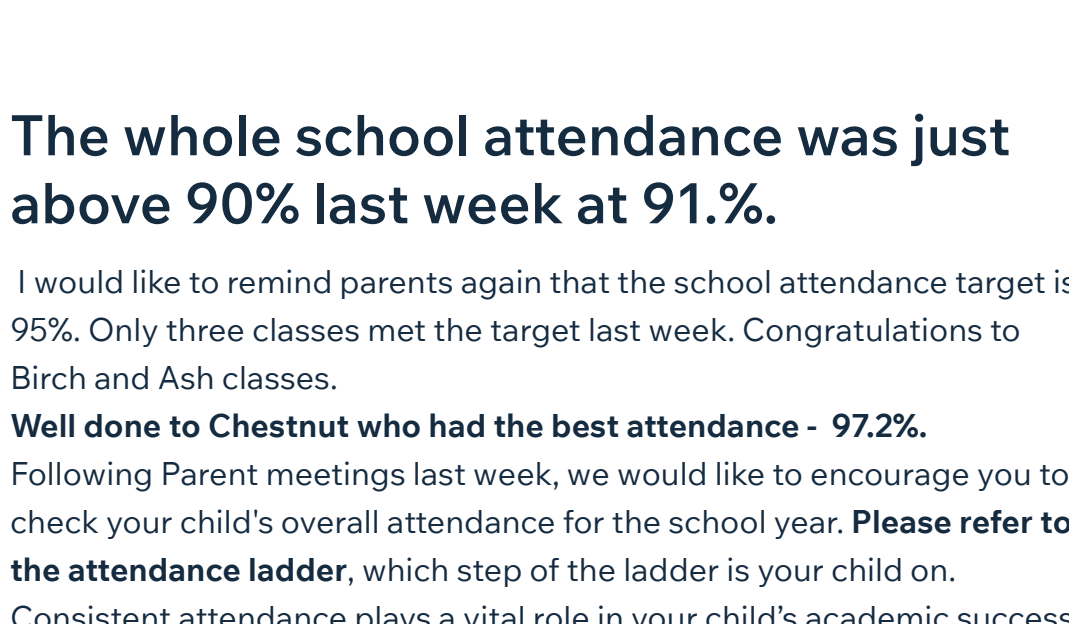

Our pupils had the incredible opportunity to participate in a Guinness World Record event hosted by Jamie Oliver, where over 7000 participants joined in a culinary celebration. Our students had a hands-on experience learning to make handmade pasta, from cracking eggs and kneading dough to using a variety of techniques to shape their creations. In addition to making pasta, the pupils also honed their kitchen skills, engaging in cutting, slicing, and dicing garlic and tomatoes, and picking fresh basil leaves. The event culminated in a taster session that captured their enthusiasm as they enjoyed the fruits of their labour. Many pupils were so inspired by the experience that they are now motivated to try the recipe at home with their families!

## Attendance Matters!

Attendance Summer 2 Week 6 (%)

The whole school attendance was just above 90% last week at 91%.

I would like to remind parents again that the school attendance target is 95%. Only three classes met the target last week. Congratulations to Birch and Ash classes.

**Well done to Chestnut who had the best attendance - 97.2%.**

Following Parent meetings last week, we would like to encourage you to check your child's overall attendance for the school year. **Please refer to the attendance ladder**, which step of the ladder is your child on.

Consistent attendance plays a vital role in your child's academic success, personal development, and overall school experience. If your child is absent, please ensure you contact the school as early as possible to provide a reason. For planned absences or medical appointments, kindly inform us in advance and provide any necessary documentation. Thank you for your continued support in helping us maintain high standards for learning and achievement.
