Dear Parents/Carers/Colleagues/Neighbours,

You will be aware that Islamia Primary School is the only Voluntary Aided Muslim School in the London Borough of Brent. The school is very popular with parents who are keen for their children to be offered a place in the school.

The admissions arrangements for the school must conform with the Admissions Code. This Code requires that whenever the Board of Governors decide to make amendments to the Admissions Policy, it must consult with all stakeholders. This means that everyone who has an interest in the school should have an opportunity to express their views. It is the intention of the Board of Governors to take these views into account when making decisions about amendments to the admissions policy.

Here are some facts about the school.

- Islamia Primary School is a two form entry school for pupils aged 4 – 11 years. Every year, the school admits 60 pupils to the Reception Year. The published admission number (PAN) for the school is 60.
- Islamia Primary School is a Voluntary Aided, Faith-based Muslim school. As such, **the Board of Governors of Islamia Primary School is the Admissions Authority.**

The Board of Governors of Islamia Primary School proposes to make amendments to the existing Admissions Policy, any proposed changes are highlighted in red.

The Admissions Code, issued under Section 84 of the School Standards and Framework Act 1998 (SSFA 1998) came into force on 19 December 2014. As the Admissions Authority the Board of Governors of Islamia Primary School has a statutory duty to act in accordance with the relevant provision of the Code.

Section 142 of the code states that when changes are proposed to admissions arrangements, all admissions authorities must consult on their admissions arrangements (including any supplementary information form) that will apply for admissions applications the following school year.

With a view to ensuring that the Board of Governors of Islamia Primary School as the Admissions Authority conforms to the requirements of the code, the Board of Governors would like all interested parties to take note that as the Admissions Authority, it declares that a consultation will be undertaken with regards to the changes to the Admissions Policy.

The school's Board of Governors will then make its decision on the contents of the new Admissions Policy and publicise details to all interested parties.

A final version of the Admissions Policy will be posted on the school's web site and also sent to Brent Admissions. The new policy will be used to determine admissions to Islamia Primary School for academic years commencing **September 2023 and September 2024**.

Please note that the school's admissions authority are undergoing a judicial review regarding the Alumni criterion. Once this review has been concluded the criterion is intended to remain. All other changes have been made at the request of the Office of the School's Adjudicator in order to simplify and clarify the admissions process for all applicants, particularly with regards to the Supplementary Information Form. There has been no change to the oversubscription criteria.

Yours Sincerely,
